## Alpha Workshops

design studio's hand-crafted **Caper** was inspired by the Czech cubist 1920s. And the result is equally hip—with 100% wool or Moroccan silk. Blends of one colorway, from natural tan to dusty orange and soothing blue. 243 West 79th Street, Suite 110A, New York, NY 10011; 212-694-7232; [alphaworkshops.org](http://alphaworkshops.org) **circle 222**

## McGuire

The eye-catching rattle rings of the **Barrel** lounge chair owe equal debts to pop art repetition and rendered detail. Among the 43 available frame finishes are new Snow White and old favorites such as black bombé, tobacco, dark mahogany, and natural cherry. Whichever you choose, the deck is always fully sprung, and the plush cushions are a mix of leathers and silks. 1201 Bryant Street, San Francisco, CA 94103; 800-647-4862; [mcguirefurniture.com](http://mcguirefurniture.com) **circle 224**
